

Family Strategy Game
3 Ways to Play
Compete, Co-operate or Go Wild!

2 - 4 Players Age 8 +
45-60 minutes

Your mission is to prevent the extinction of Australasian animals. Fortunately, you've got a plan to build them a new environment, but time is short.

The survival of entire species depends on you, but your colleagues don't share your priorities, so you must be ruthless.

Expect treachery as you fight tooth and claw to create the habitats that your animals need to survive.
